

## Embracing Community Connections

**Learning** - Learning about grace and our shared humanity.

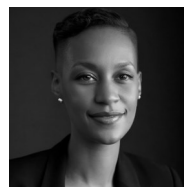

**Growing** - Growing in understanding and hope.

**Building** - Building a better future, together.

And what better way to learn, grow and build than to invite civic leaders of positive change to speak with us, and share the good work which helps heal and advance our beloved community. Our Embracing Community Connections series begins with three speakers this April, focusing on initiatives which improve black and white racial equity and understanding in Omaha.

### April 7 - Connecting with No More Empty Pots

Leah Keinama - Director of Programs and Partnerships of “No More Empty Pots”

Leah's work at No More Empty Pots in North Omaha is groundbreaking, advancing their mission to connect individuals and groups to improve self-sufficiency, regional food security and economic resilience of urban and rural communities through advocacy and action. Come learn about the exciting outreach and opportunities.

### April 14 - Connecting with the Tri-Faith Initiative

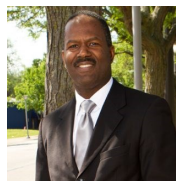

Jeremy Fricke - Vice President of Mission Advancement

Jeremy Fricke's presentation is entitled “Religious and Racial Justice - Where we Were, Where we are Going.” Tri-Faith counters the rise in hate crimes and religious hostility by cultivating empathy and understanding. Let's grow together by expanding our concepts of God's people.

### April 21 - Connecting with the Empowerment Network

Willie Barney - Founder and President of the North Omaha Empowerment Network

The network has launched major initiatives including increased high school and college graduation rates, reduced unemployment, decreased gun violence, and the rebirth of an African-American centered arts, culture, entertainment, and business district. We can help build a brighter future by being informed and engaged.

Join us for these three Sundays during April in the Welcome Center during Fellowship Hour in the Courtyard Room. Please register for these presentations on our church website or at the Information Desk. Each presentation will be unique and inspirational! Bring your curiosity and imagination.

### A Year with Tyler and Alyson

It's hard to believe that 20 weeks have now gone by since this year's Confirmation Class began to meet. It's a unique class for us this year – consisting of two talented eighth graders – Alyson Grady and Tyler Falcone. I'm sure you are used to seeing them in worship – because they have faithfully served as acolytes EVERY SUNDAY since last September!

In addition to not burning down the church (the first job of acolyting!) Alyson, Tyler, and I have talked each Wednesday in Cornerstone about what it means to be a member of Church of the Cross. As they have discovered, there's a lot to know about the Bible, our church, being a Presbyterian, and serving God. They are each very busy eighth graders, and you will enjoy getting to meet them more in next month's Cross Currents.

What I am reminded of each time I teach Confirmation is that our faith is meant to be handed off to others – to the next generation, to new believers, to those around us. Our own personal faith is supposed to rub off on others. It could be in a formal setting, like teaching a class, but the majority of the time we hand off our faith just by living our lives in community and letting Jesus flow out of us as we go through life. At least that's how it's supposed to work.

I believe the best way to share your faith is first to be a healthy Christian yourself. This is more important than we often realize. Most people who aren't actively pursuing lives of faith are not doing so because they've got a problem with Jesus. They've either come to believe that church isn't relevant or that the Christians they've met aren't displaying anything they'd want to have in their own lives.

“Hostile to the church, friendly to Jesus Christ” is how author John R.W. Stott began his famous little book, *Basic Christianity*, the book that God used to re-awaken me to Jesus and the church back in college. “It is precisely because they see a contradiction between the founder of Christianity and the current state of the church he founded that they are so critical and aloof.”

That's the goal for us – that our lives wouldn't contradict Jesus! May the next generation, starting

with Alyson and Tyler see that Christ is alive both in our church and in our lives as they soon are formally welcomed into Church of the Cross on Confirmation Sunday, April 7

### Join a Tuesday Bible Study

The Tuesday Bible Studies led by Dr. Ziemman have resumed as we study the New Testament book of Hebrews. Newcomers are always welcome; just bring your favorite Bible and join us in the classroom in the Welcome Center at either 7:00 (men only) or 1:00 (everyone). Note, if you are looking for a women's only Bible study, find the details about the Presbyterian Women's Morning Circle on page 7.

## The View from My Office

### MONUMENT SIGN ERECTED

The final cap stone has been added to the new monument sign completing the project. The sign marks the south entrance to our Sanctuary and Welcome Center.

### FINANCE COMMITTEE SENSES GENEROSITY

During January each year, members are asked to help cover the cost of our Per Capita apportionment. Thru mid-March you have given \$12,905 to help cover our cost of \$30,559.20. THANK YOU!

During February each year, members are asked to support the Deacon Envelope Fund. Thus far members have given \$7632.00. Again, THANK YOU!

### KITCHEN CREW VOLUNTEERS

Help needed for our Monday morning kitchen crews again. I could use a couple of teams once per month to wash up a few glasses, cups, pitchers and utensils from Sunday with the dishwasher. Then restock the supplies and clear out any old items from the refrigerator.

If you and a friend have an hour to spend visiting and helping keep our kitchen clean and restocked, please contact Rock for more details in the church office.

## VOLUNTEERS FOR SPRING CLEANUP

It could be YOU! It could be a family outing helping to prepare our church grounds for the growing season. Work gloves come in all sizes and colors. There are plenty of jobs to keep everyone occupied and working together joyfully. Everyone is welcome to join us.

In the spring we trim back plants, clean off winter debris, and rake up leaves. Bring tools, wheelbarrows, and good cheer.

We always share treats, juice, and coffee with our fellowship time. B&G would encourage all members to join us for this workday. Taking care of God's creation is our first calling from the Bible!

## SHF Chopped! Competition

One of SHF favorite events is their Chopped! Competition. What is Chopped!, you may ask? SHF Chopped! is a cooking competition that is fashioned after the tv show of the same name. Our youth are split into teams that work together to create a menu that includes an appetizer, entrée and dessert. Guest judges award the teams in several categories, like, most flavorful, most interesting, tastiest entrée, etc. Chef Nickie is instrumental

in this event, as she spends time the week before the competition teaching the youth basics about cooking. She also works with them to create their menus. The twist...on the day of the competition, Chef Nickie throws in a random ingredient that both teams must incorporate into their menus. While the teams are working, Chef Nickie also prepares a meal

for everyone to enjoy. It is a fun event, and everyone is stuffed afterwards! Many thanks to Chef Nickie and our guest judges Keith and Paula Allen, Dennis and Amy Boesen, and Gary and Marsha Marron.

## The Queen's Six Makes Their Omaha Debut on Tuesday, April 9

The Queen's Six is making its debut in Omaha, and with only four stops scheduled on its US tour, this is an event you don't want to miss. Vesper Concerts presents them in a free concert on Tuesday, April 9, at 7:00 p.m.

The Queen's Six was established in 2008, the 450th anniversary of the accession of Queen Elizabeth I, from whom they take their name. Based at Windsor Castle, members of The Queen's Six make up part of the Lay Clerks of St George's Chapel, whose homes lie within the Castle walls. The Chapel Choir, which consists of girl and boy choristers and twelve professional adult singers, performs some eight services a week and at private and state occasions, often before the Royal Family.

In 2018, group members' duties with the Chapel Choir included singing for Prince Harry and Ms. Meghan Markle's wedding; in 2021, three members of the group sang at the funeral of HRH Prince Philip, The Duke of Edinburgh; and in 2022, members of the group sang at the Committal part of Queen Elizabeth II's official funeral services.

Now, Lissie, Tom, Nick, Dom, Andrew, and Simon have come together to bring their unique style of entertainment to a much wider audience. Their repertoire extends far beyond the reach of the choir stalls: from austere early chant, florid Renaissance polyphony, madrigals, and haunting folk songs to upbeat jazz and pop arrangements. The Queen's Six has sung at several prestigious festivals and venues, including the MET Cloisters in New York City, the Salzburg Bachgesellschaft, the Bermuda Festival, Bayreuth's Margravia Opera House, and St Louis Cathedral Basilica. Upcoming tours include return trips to the USA, Germany, the Baltic States and Poland, and first visits to China and Bulgaria.

Make sure you are on our email list to get up-to-date information about all our events by signing up on our website, [www.vesperconcerts.org](http://www.vesperconcerts.org).

## Agape for All Book Review

**Submitted by Pattie Richie**

***24th and Glory: The Intersection of Civil Rights and Omaha's Greatest Generation of Athletes***

**Written by Dirk Chatelain.**

Recently our own Russ Beernink shared this video link, produced by Nebraska History Brown Bag Lectures. This hour long video features the author as he shares his reasons for writing the book.

The stories are personal, relatable and compelling.

Each of us has a part to play in creating a better future with agape for all, but the first step is always learning, and as the author shares his process of discovery he is guided by Ken Burns statement: "I know of nothing more urgent than the history you do not know."

Dirk Chatelain's research was born of his ignorance...he realized that as a white man from a small Nebraska town named Rising City, he may not have much in common with the famous, high achieving black athletes of North Omaha, but he was so amazed by the achievements of the great athletes and horrified by the civil rights issues of the 1950's, and 60's he chose to turn his journalism talents to writing this compelling book.

The book awaits your reading! Our PCOC library is calling your name!

Got an hour? Watch the "behind the scenes" video which shares the motivation and process of a great book we have in our church library, which Ann Pearson recently reviewed for us.

## Meals on Wheels Mission Opportunity

Meals on Wheels (MoW) is a program run by the Eastern Nebraska Office on Aging which has for over 40 years filled the nutritional needs of homebound individuals by providing hot, noon meals, personally delivered by a team of volunteers every Monday through Friday.

PCOC partners with MoW to deliver meals every Tuesday and Wednesday to about 10-12 individuals who live near PCOC in surrounding neighborhoods. The meals are already prepared and packaged and stored in coolers which are picked up next to St. Timothy's church on 93rd and Dodge. Delivering those 10-12 meals takes a car and about 1.5-2 hours

We currently have a need for volunteers to take open delivery spots in May and June, particularly Tuesdays. Volunteers can sign up for a single day or for multiple days in May and June. If you are not sure and would like to just "stick your toe in the water," please consider riding along with one of our current PCOC volunteers to see how it works before you commit to trying it on your own.

If interested, contact John or Patti Sparks.

## New Travel/Study Opportunity in Lithuania

**Submitted by Karen Morey**

Our friend and Mission Worker Ellen Smith is collaborating with Carl Horton of the PC(USA) Peacemaking Project to host a Travel/Study Tour titled "Lithuania: Healing the Legacies of War and Oppression," in October, 2024. The tour will be a more in-depth study of the history we were introduced to when Jean Waters, Karen Morey, and Jon and Irene Boomgaarden traveled with Ellen to Lithuania in winter of 2023. Of that trip, Jean Waters said, "When visiting Lithuania, you experience a charming old European country, cathedrals and castles, alongside Soviet-style housing. It is important to see that the people of this country suffered, and they acknowledge their history so that they, and none of us, will repeat it."

PC(USA) is now recruiting participants for this Travel Study Tour, who will begin their journey in Lithuania's capitol, Vilnius, then move to Klaipeda, learning about various phases of Lithuania's history, from the Nazi and Soviet occupations to today's Ukrainian refugee crisis. Applications are being accepted now, online at <https://www.presbyterianmission.org/story/what-does-lithuania-have-to-teach-us-about-war/>.

The deadline for applications is June 14, but the size of the group will be limited, so the sooner you consider this opportunity, the better! For additional information, check the website above or contact Karen Morey or Jean Waters.
